

2024 Music

Opening Ode: "Morning Has Broken"

Morning has broken like the first morning
Blackbird has spoken like the first bird
Praise for the singing, praise for the morning
Praise for them springing fresh from the world.

Flag Tribute: "This Land Is Your Land, This Land Is My Land"

This land is your land, this land is my land
From California to the New York Island
From the redwood forest to the Gulf Stream waters
This land was made for you and me.

Coin March: "You've Got a Friend in Me", "You Are the Light of the World" or Broadway show tunes.

You've got a friend in me. You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me, Yeah, you've got a friend
in me

You've got a friend in me. You've got a friend in me
You got troubles, I've got 'em too
There isn't anything I wouldn't do for you
We stick together and see it through
'Cause you've got a friend in me,
You've got a friend in me.

Some other folks might be, a little bit smarter than I am
Bigger and stronger too. Maybe
But none of them will ever love you, the way I do
It's me and you, boy.

And as the years go by, our friendship will never die
You're gonna see it's our destiny
You've got a friend in me, You've got a friend in me

Closing Ode: "Shalom to You"

Shalom to you now, shalom, my friends.
May God's full mercies bless you, my friends.
In all your living and through your loving,
Christ be your shalom, Christ be your shalom.

Closing March: Pass It On

It only takes a spark to get a fire going,
And soon all those around, can warm up to the glowing.
That's how it is with God's love,
Once you've experienced it,
You spread His love to ev'ry one,
You want to Pass It On.

What a wondrous time is spring,
When all the trees are budding.
The birds begin to sing, the flowers start their blooming.
That's how it is with God's love,
Once you've experienced it,
You want to sing, it's fresh like spring,
You want to pass it on.
