REACH OUT AND READ IOWA  
where great stories begin

**Reach Out and Read Iowa** is part of a nationwide program that prepares America's youngest children to succeed in school by partnering with doctors to prescribe books and encourage families to read together. Doctors, nurse practitioners, and other medical professionals incorporate Reach Out and Read's evidence-based model into regular pediatric checkups, by advising parents about the importance of reading aloud and giving developmentally-appropriate books to children. The program begins at the 6-month checkup and continues through age 5, with a special emphasis on children growing up in low-income communities. Please tell your friends, family, neighbors, and members of other Masonic organizations about this fun event and encourage them to participate.

**Don't miss this Iowa Eastern Star summer tradition.**
