7 Day Canada & New England Discovery Cruise (June 6, 2020 to June 13, 2020)

Whether you want to explore the early days of Canada and the United States or see what the future holds for their metropolises, a journey along North America's "fantastic" Atlantic coastline (that is equal parts rustic charm and Victorian splendor), promises to be unforgettable.

Day 1: Saturday, June 6 - Departure Day - Depart Des Moines International Airport as we start on our exploration of the cultural riches and natural beauty of North America's Atlantic Coast. We arrive in Boston to be transported from the airport to the Holland American Zaandam cruise ship. There the Holland America Line will welcome you aboard a perfectly sized, refreshingly smaller ship filled with one of a kind experiences. Settle in to your outside cabin and prepare to depart Boston at 4pm. Join your fellow travelers on deck for the sail away. (L,D)

Day 2: Sunday, June 7 - This morning the Zaandam arrives in Bar Harbor, Maine (the gateway to the Acadia National Park) at 7am. Once the ship has cleared port authority you will be able to depart the ship to enjoy this picturesque costal community, and colorful people as varied as the natural scenery. Excursions will be available for purchase through the ship or enjoy this port on your own. We will depart Bar Harbor, Maine at 4pm. (B,L,D)

Day 3: Monday, June 8. This morning the Zaandam arrives in Halifax, Nova Scotia, Canada, at 7am. Once the ship clears customs you are free to depart the ship and explore this major cultural center within the Atlantic provinces. This city has maintained many of its maritime and military traditions, while opening itself to a growing multicultural population. Once again you are free to enjoy this port on your own or with an optional tour. We depart Halifax at 6pm. (B,L,D)

Day 4: Tuesday, June 9. We arrive in Sydney, Nova Scotia, Canada at 10am. You can depart the ship and enjoy Cape Breton Island's largest urban center which has a diverse population - with a mixture of nationalities and cultures. Tours will again be available on the ship. Depart Sydney at 6pm. (B,L,D)

Day 5: Wednesday, June 10. The Zaandam arrives in Charlottetown, Prince Edward Island, Canada at 10am. This is Canada's tiniest capital containing many Victorian houses and buildings, with many walking trails and parks. There are 11 National Historic Sites of Canada located in Charlottetown, including Canada's most popular and largest running musical, Anne of Green Gables - you can also see the house and farm that inspired the beloved book, Anne of Green Gables. We depart Charlottetown at 6pm. (B,L,D)

Day 6: Thursday, June 11. This day is spent cruising the Gulf of Saint Lawrence and enjoying the scenery from the ship with your fellow travelers on our way to Quebec City. There will be many fun events and programs available on the ship. (B,L,D)

Day 7: Friday, June 12. The Zaandam arrives in Quebec City, Quebec, Canada at 7am. Quebec City is one of the oldest European settlements in North America and the only fortified city north of Mexico where the walls still exist. This is a city with many beautiful sites and it is rich in social, military and religious history. Tours available for purchase on the ship. Ship departs at 5pm as we sail down the Saint Lawrence River. (B,L,D)

Day 8: Saturday, June 13. We arrive in Montreal, Quebec, Canada at 7am. Holland America transfers will take us to the Montreal airport to fly back to Des Moines with memories of a great trip with wonderful friends. (B)
