August 3, 2021

Dear Sisters and Brothers,

October is fast approaching and we will be gathering for the 2021 "Butterfly Dreams" session of Iowa Grand Chapter very soon!

However, due to the spike in the Delta variant of the Coronavirus, we have received questions about who can attend - and we appreciate these questions! As you know, earlier in the year we decided to limit the session to Iowa members only. This has not changed, but now with the increase of infections due to the highly transmissible Delta variant we feel we need to be even more specific with our guidelines.

So, if you belong to an Iowa chapter or are a dual member - living within 30 miles of the Iowa border with a neighboring state, (ie. NE, IL, MO or MN), and frequently visit Iowa you will be able to attend Grand Chapter. If you are an Iowa member (dual or not) living outside of these parameters then we are sorry but you will not be attending Grand Chapter this year.

We wish we could have everyone join us at Grand Chapter, but please understand we are trying to be cautious and minimize possible infections in our membership. Thank you for your understanding. Remember to keep F.A.I.T.H. ( Forwarding All Issues To Heaven)!

In Star Friendship,

Polly M. Miller  
Worthy Grand Matron
