Please support Grand Master Bill Post's Projects by sponsoring a hole. The funds will support the St. Florian Burn Foundation. St Florian is empowering the burn community to come together to build strength and hope. The St. Florian Burn Foundation was founded in 1993 through the efforts and partnership of dedicated nurse at the St. Luke's Burn Center and the Sioux City Professional Fire Fighters IAFF Local #7. Your \$100 sponsorship will go to funding the Academic Bowl and other worthwhile projects. A sign will be placed on the golf course displaying your support.
