Honor our Veterans by Making Quilts of Valor

What: We have a goal of making 20 Quilts of Valor. The fabric will be cut into kits and ready to sew. You do not need to be a “quilter” to participate.

Where: We will have sites across the state where quilts will be made.

Who: Even if you do not sew or quilt, we still need you. It will be a great day of fellowship, sewing and FOOD of course! And yes, this includes men!

More detailed information will be shared as we get closer to April 21th.

Needed Now: Each Quilt of Valor costs approximately \$150 to complete. To meet our goal, we are asking for donations from Chapters and/or individuals. The monies will be used to purchase fabric, batting, quilt backing and to have the quilt finished.

Donations can be sent to the Grand Secretary: Nancy Ramthun
