Aloha Sisters and Brothers!

Excitement is building for the Surf's Up Beach Party, and your committee has been hard at work. We're hearing about your Surfer Dude and Beach Babe nominees, and you are choosing great Eastern Star Ambassadors! Keep raising money to honor those people who are working to grow our Order, and send your nominations to Karen Wood – either by email ([k1959wood@msn.com](mailto:k1959wood@msn.com)), or give her a call at 515.249.0488. The committee will recognize each and every nominee – so be sure to come to the party. Any contributions that you've collected can go to our Grand Secretary Nancy Niday or you can bring them with you on July 31.

The party starts at 4:00 at the Earlham Community Center – no beach in sight, but who wanted sandy shoes anyway? We'll have some great games and fellowship before we eat around 6:00. Then we'll start up the beach music and twist the night away to Frankie, Annette, Jan, Dean, and those fabulous Beach Boys. Our Surfer Dude and Beach Babe nominees can continue to raise funds during the party – we'll have a final announcement and ceremony to cap off the evening.

Don't forget to send or deliver your white elephants for Beach Blanket Bingo prizes to any of our committee members – you'll find them in the VIP book.

So, the all-important question – how much? For just \$15.00, you'll get an afternoon and evening of fun, great food, and good fellowship – all for the Breath of Life project.

Thank you all for your support and we'll see you on July 31 at the beach.
