Luke Reicks

July 1, 2018

Dear Sisters and Brothers,

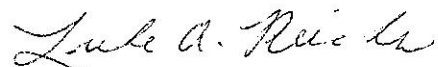

Please consider my application for re-election to the Barthell OES Home Board.

As a member of the Barthell OES Home Board for five years, I have served as Secretary, Vice Chair, and this year as Chairperson. During this time we interviewed and hired a new administrator, created an administrator evaluation, and made several improvements to the home. This year we have begun the first stage of a multi-year building plan that includes renovating the nursing home and building independent living facilities.

I am owner/operator of a farm in northeast Iowa and drive school bus for Turkey Valley Community School. I am active in the community and in the past have served as Sunday School teacher, Boy Scout Leader, Girl Scout Leader, and volunteer for the community festival. I volunteer at many local events and assist with maintenance at the Norman Borlaug Heritage Farms. I am Worthy Patron of New Hampton Chapter and president of Northeast Iowa Shrine.

It has been a pleasure to be a member of the Board during this busy time and I would look forward to continuing on the Board to see the building plan to completion.

Sincerely,

Luke A. Reicks
